- 115. Pursuant to 5 U.S.C. § 706 and 28 U.S.C. § 2201, Plaintiffs are entitled to a declaration that the OMB Directive violates the APA because it is arbitrary and capricious.
- 116. Plaintiffs are also entitled to vacatur of the OMB Directive pursuant to 5 U.S.C. § 706, all appropriate preliminary relief under 5 U.S.C. § 705, and a preliminary and permanent injunction preventing Defendants from enforcing the OMB Directive.

COUNT III

(Violation of the Separation of Powers—Usurping the Legislative Function)

- 117. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.
- legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and a House of Representatives." U.S. Const. Art. I, Sec. 1. "The Framers viewed the legislative power as a special threat to individual liberty, so they divided that power to ensure that 'differences of opinion' and the 'jarrings of parties' would 'promote deliberation and circumspection' and 'check excesses in the majority." *Seila Law LLC v. Consumer Fin. Prot. Bureau*, 591 U.S. 197, 223 (2020) (quoting The Federalist No. 70, at 475 (A. Hamilton) and citing *id.*, No. 51, at 350).
- 119. "As Chief Justice Marshall put it, this means that 'important subjects . . . must be entirely regulated by the legislature itself,' even if Congress may leave the Executive 'to act under such general provisions to fill up the details." *West Virginia v. EPA*, 597 U.S. 697, 737 (2022) (Gorsuch, J., concurring) (quoting *Wayman v. Southard*, 10 Wheat. 1, 42-43, 6 L.Ed. 253 (1825)).
- 120. The separation of powers doctrine thus represents perhaps the central tenet of our constitution, see, e.g., Trump v. United States, 603 U.S. 593, 637-38 (2024); West Virginia v. EPA,

597 U.S. at 723-24, *Seila Law LLC*, 591 U.S. at 227, and consistent with these principles, the executive acts at the lowest ebb of his constitutional authority and power when he acts contrary to the express or implied will of Congress. *Youngstown Sheet & Tube Co. v. Sawyer*, 343 U.S. 579, 637 (1952) (Jackson, J., concurring).

- 121. The OMB Directive violates the separation of powers because the executive branch has overridden the careful judgements of Congress by refusing to disburse funding for innumerable federal grant programs—some of which are even formula grants dictated by precise statutory formulas. Pausing funding under the affected programs and permanent refusal to disburse funds appropriated by Congress contrary to congressional intent and directive both violate the separation of powers.
- 122. Pursuant to 28 U.S.C. § 2201, Plaintiffs are entitled to a declaration that the OMB Directive violates the constitutional principles of separation of powers doctrine, and impermissibly arrogates to the executive power that is reserved to Congress.
- 123. Plaintiffs are further entitled to a preliminary and permanent injunction preventing the Agency Defendants from enforcing the OMB Directive.

COUNT IV

(Violation of the Spending Clause)

- 124. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.
- 125. The Spending Clause of the U.S. Constitution provides that "Congress"—not the Executive—"shall have Power to lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defence and general Welfare of the United States" U.S. Const. Art. I, Sec. 8, clause 1.

126. If funding conditions reach a certain level of coercion, they encroach on state sovereignty as guaranteed by the Tenth Amendment by "commandeering . . . reserved State power." State of New York v. U.S. Dep't of Justice, 951 F.3d 84, 114 (2d Cir. 2020). States must also have fair notice of conditions. "Congress' power to legislate under the spending power is broad," but conditions on funding must be "unambiguous[]" and they cannot "surprise[] participating States with post acceptance or 'retroactive' conditions." Pennhurst State Sch. & Hosp. v. Halderman, 451 U.S. 1, 17, 25 (1981). Once a State has accepted funds pursuant to a federal spending program, the Federal government cannot alter the conditions attached to those funds so significantly as to "accomplish[] a shift in kind, not merely degree." Nat'l Fed'n of Indep. Bus. v. Sebelius, 567 U.S. 519, 583-84 (2012). Conditions must be "reasonably related to the purpose of the expenditure." New York v. United States, 505 U.S. 144, 172 (1992) (citing Mass. v. United States, 435 U.S. 444 (1978)).

- 127. Because the OMB Directive imposes new conditions on federal funding, altering the terms upon which grants were obligated and disbursed contrary to Congressional authority, the OMB Directive imposes funding conditions that are coercive, retroactive, ambiguous, and unrelated to the purpose of myriad grants affected.
- 128. Pursuant to 28 U.S.C. § 2201, Plaintiffs are entitled to a declaration that the OMB Directive violates the Spending Clause.
- 129. Plaintiffs are also entitled to a preliminary and permanent injunction barring the Agency Defendants from enforcing the OMB Directive.

COUNT V

(Violation of the Presentment, Appropriations, and Take Care Clauses)

- 130. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.
- The Presentment Clause provides that "[e]very Bill which shall have passed the 131. House of Representatives and the Senate, shall, before it become a Law, be presented to the President of the United States." U.S. Const. Art. I, Sec. 7, Clause 2; INS v. Chadha, 462 U.S. 919, 946 (1983). "Our Constitution gives Congress control over the public fisc." Consumer Fin. Prot. Bureau v. Cmty. Fin. Servs. Ass'n of Am., Ltd., 601 U.S. 416, 420 (2024); see also id. at 431 ("By the time of the Constitutional Convention, the principle of legislative supremacy over fiscal matters engendered little debate and created no disagreement. It was uncontroversial that the powers to raise and disburse public money would reside in the Legislative Branch."). The Appropriations Clause provides that "[n]o Money shall be drawn from the Treasury, but in Consequence of Appropriations made by Law." U.S. Const. Art. I, Sec. 7. The Appropriations Clause is a "straightforward and explicit command" that "no money can be paid out of the Treasury unless it has been appropriated by an act of Congress." Office of Pers. Mgmt. v. Richmond, 496 U.S. 414, 424 (1990) (quoting Cincinnati Soap Co. v. United States, 301 U.S. 308, 321 (1937)). The Take Care Clause provides that the executive must "take Care that the Laws be faithfully executed. . . ." U.S. Const. Art. II, Sec. 3, Clause 3.
- 132. No provision of the United States Constitution authorizes the executive to enact, amend, or repeal statutes, including appropriations approved by Congress and signed into law by the President. *Clinton v. City of New York*, 524 U.S. 417, 438 (1998).
- 133. The executive cannot unilaterally amend or cancel appropriations that Congress has duly enacted. *See Train v. City of New York*, 420 U.S. 35, 38, 44 (1975); *In re Aiken Cnty.*, 725 F.3d 255, 261 n.1 (D.C. Cir. 2013); 2 U.S.C. § 683 (requiring the President to transmit proposed

rescissions of budget authority to Congress for approval and requiring "any amount of budget authority proposed to be rescinded" to be made available for obligation unless and until Congress approves the rescission within 45 days).

- 134. The OMB Directive constitutes a refusal to spend money appropriated by Congress, in violation of the executive's constitutional authority to administer the law.
- 135. Pursuant to 28 U.S.C. § 2201, Plaintiffs are entitled to a declaration that the OMB Directive violates the Presentment, Appropriations, and Take care Clauses of the U.S. Constitution.
- 136. Plaintiffs are further entitled to a preliminary and permanent injunction preventing the Agency Defendants from enforcing the OMB Directive.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs pray that this Court:

- Issue a judicial declaration that the OMB Directive is unconstitutional and/or unlawful because it violates the APA and the Constitution;
- ii. Vacate the OMB Directive and issue all necessary and appropriate process to postpone the effective date of the OMB Directive or to preserve status or rights pending conclusion of the review proceedings under 5 U.S.C. § 705;
- iii. Temporarily restrain and enjoin the Agency Defendants from implementing or enforcing the OMB Directive, pending further orders from this Court;
- iv. Pursuant to Federal Rule of Civil Procedure 65(b)(2), set an expedited hearing within fourteen (14) days to determine whether the Temporary Restraining Order should be extended;
- v. Pursuant to 5 U.S.C. § 705, postpone the effective date of the OMB Directive, so as to preserve the status and rights of the Plaintiff States;

- vi. Pursuant to 5 U.S.C. § 706, vacate the OMB Directive;
- vii. Preliminarily and permanently enjoin the Agency Defendants from enforcing the OMB Directive;
- viii. Issue a writ of mandamus compelling Defendants to immediately cease implementing the OMB Directive without further delay;
 - ix. Award the Plaintiffs their reasonable fees, costs, and expenses, including attorneys' fees, pursuant to 28 U.S.C. § 2412; and
 - x. Grant other such relief as this Court may deem proper.

EXECUTIVE OFFICE OF THE PRESIDENT OFFICE OF MANAGEMENT AND BUDGET WASHINGTON, D.C. 20503

January 27, 2025

M-25-13

MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: Matthew J. Vaeth, Acting Director, Office of Management and Budget

SUBJECT: Temporary Pause of Agency Grant, Loan, and Other Financial Assistance

Programs

The American people elected Donald J. Trump to be President of the United States and gave him a mandate to increase the impact of every federal taxpayer dollar. In Fiscal Year 2024, of the nearly \$10 trillion that the Federal Government spent, more than \$3 trillion was Federal financial assistance, such as grants and loans. Career and political appointees in the Executive Branch have a duty to align Federal spending and action with the will of the American people as expressed through Presidential priorities. Financial assistance should be dedicated to advancing Administration priorities, focusing taxpayer dollars to advance a stronger and safer America, eliminating the financial burden of inflation for citizens, unleashing American energy and manufacturing, ending "wokeness" and the weaponization of government, promoting efficiency in government, and Making America Healthy Again. The use of Federal resources to advance Marxist equity, transgenderism, and green new deal social engineering policies is a waste of taxpayer dollars that does not improve the day-to-day lives of those we serve.

This memorandum requires Federal agencies to identify and review all Federal financial assistance¹ programs and supporting activities consistent with the President's policies and requirements.² For example, during the initial days of his Administration, President Donald J. Trump issued a series of executive orders to protect the American people and safeguard valuable taxpayer resources, including *Protecting the American People Against Invasion* (Jan. 20, 2025), *Reevaluating and Realigning United States Foreign Aid* (Jan. 20, 2025), *Putting America First in International Environmental Agreements* (Jan. 20, 2025), *Unleashing American Energy* (Jan. 20, 2025), *Ending Radical and Wasteful Government DEI Programs and Preferencing* (Jan. 20,

¹ 2 CFR 200.1 defines Federal financial assistance to mean "[a]ssistance that recipients or subrecipients receive or administer" in various forms, but this term does not include assistance provided directly to individuals. For the purposes of this memorandum, Federal financial assistance includes: (i) all forms of assistance listed in paragraphs (1) and (2) of the definition of this term at 2 CFR 200.1; and (ii) assistance received or administered by recipients or subrecipients of any type except for assistance received directly by individuals.

² Nothing in this memo should be construed to impact Medicare or Social Security benefits.

2025), Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government (Jan. 20, 2025), and Enforcing the Hyde Amendment (Jan. 24, 2025). These executive orders ensure that Federal funds are used to support hardworking American families.

To implement these orders, each agency must complete a comprehensive analysis of all of their Federal financial assistance programs to identify programs, projects, and activities that may be implicated by any of the President's executive orders. In the interim, to the extent permissible under applicable law, Federal agencies **must temporarily pause** all activities related to obligation or disbursement of all Federal financial assistance, and other relevant agency activities that may be implicated by the executive orders, including, but not limited to, financial assistance for foreign aid, nongovernmental organizations, DEI, woke gender ideology, and the green new deal.

This temporary pause will provide the Administration time to review agency programs and determine the best uses of the funding for those programs consistent with the law and the President's priorities. The temporary pause will become effective on January 28, 2025, at 5:00 PM. Even before completing their comprehensive analysis, Federal agencies must immediately identify any legally mandated actions or deadlines for assistance programs arising while the pause remains in effect. Federal agencies must report this information to OMB along with an analysis of the requirement. OMB also directs Federal agencies to pause all activities associated with open NOFOs, such as conducting merit review panels.

No later than February 10, 2025, agencies shall submit to OMB detailed information on any programs, projects or activities subject to this pause. Each agency must pause: (i) issuance of new awards; (ii) disbursement of Federal funds under all open awards; and (iii) other relevant agency actions that may be implicated by the executive orders, to the extent permissible by law, until OMB has reviewed and provided guidance to your agency with respect to the information submitted.

OMB may grant exceptions allowing Federal agencies to issue new awards or take other actions on a case-by-case basis. To the extent required by law, Federal agencies may continue taking certain administrative actions, such as closeout of Federal awards (2 CFR 200.344), or recording obligations expressly required by law.

Additionally, agencies must, for each Federal financial assistance program: (i) assign responsibility and oversight to a senior political appointee to ensure Federal financial assistance conforms to Administration priorities; (ii) review currently pending Federal financial assistance announcements to ensure Administration priorities are addressed, and, subject to program statutory authority, modify unpublished Federal financial assistance announcements, withdraw any announcements already published, and, to the extent permissible by law, cancel awards already awarded that are in conflict with Administration priorities, and; (iii) ensure adequate oversight of Federal financial assistance programs and initiate investigations when warranted to identify underperforming recipients, and address identified issues up to and including cancellation of awards.

Exhibit B

Instructions for Federal Financial Assistance Program Analysis in Support of M-25-13

All Federal agencies that provide Federal financial assistance are required by **February 7, 2025** to complete the attached spreadsheet and submit it to OMB. The information requested must be provided for any program that has funding or activities planned through March 15. Agencies are encouraged to complete this task for all their programs as soon as possible. OMB will be following up with additional deadlines for subsequent periods.

Using the spreadsheet provided, locate or filter the spreadsheet to isolate the agency's list of Federal programs (by Assistance Listing number) and complete the requested information for each program (represented in columns C-G). Agencies should add additional lines to the spreadsheet to include any programs not listed in the spreadsheet.

Column B: Sub-Agency or component.

Column C-G: These columns contain pre-populated information on each Assistance Listing

program.

Column H: Identify the email of the senior political appointee responsible for overseeing

this program.

Column I: Indicate if the program has any pending funding announcements.

Column J: Indicate if this program has any anticipated obligations or disbursement of

funds through 3/15/2025.

Column K: Indicate if this program has any statutory requirements mandating the

obligation or disbursement of funds through 3/15/2025.

Column L: Provide the estimated date of the next obligation or disbursement of funds.

Column M-T: Provide responses to each of the questions (Yes/No).

Column U: Provide any additional relevant information on program or project activities.

Submit the spreadsheet no later than February 7, 2025 to: FFAPlans@omb.eop.gov.

OMB will review each agency submission and will communicate additional information to each Federal agency through the agency Senior Financial Assistance Official and the Points of Contact provided.
